Essential Information

Your car rental voucher:

Please take a moment to look at what inclusions are shown on the voucher. All mandatory charges have been included.

Rental Agreement:

Please check carefully the Rental Agreement prior to signing when collecting a car and ask an Avis Agent to explain anything you do not understand. Any additional items you have signed for will not be refunded post rental. Rental Agreements in other languages may be available, please ask before signing for any unfamiliar items on an agreement.

Before you leave the rental station, ensure any damage to the vehicle is shown on your rental agreement, should there be any damage that is not shown, advise an Avis Agent and ensure it is added to your documentation.

Additional charges:

Child seats, GPS, additional drivers, excess reduction, ski racks, winter tyres/equipment, additional insurances, under-age drivers and, in some cases, fuel.

Optional extras:

The following are examples of optional, non-mandatory charges which you may want to take out to increase your protection:- PAI (Personal Accident Insurance), PEP (Personal Effects Protection), ESP (Emergency Sickness Protection), RSN (Roadside Safety Net). Please note that roadside assistance is included in your rate. RSN is an enhanced optional version of the cover.

These additional charges and optional extras are payable to Avis at the depot up on car collection.

Security deposit:

A credit card in the name of the driver and any additional drivers is mandatory for all Avis car hire. It is swiped or imprinted and authorisation is obtained for the estimated rental value which includes obligatory charges and optional extras (the renter's available to spend is reduced by the authorised value). Amex, Diners, Visa and Mastercard cards are accepted. Debit cards, cash, Travelex cash passports, prepaid credit cards and cheques are NOT accepted. **Please contact us at time of booking to check requirements for larger car groups or premium cars.**

British Airways Executive Club and Iberia Plus members receive 1 free additional driver per rental. Executive Club/Iberia Plus card number must be added at time of booking and card shown at the depot. Additional driver details do not need to be entered as part of your booking. Additional driver does not have to be an Executive Club or Iberia Plus member and the driver details are advised directly to Avis at the depot where they must present a full driving licence and credit card in their name. Age restrictions may apply, for more information, please contact us. Non-Executive Club and non-Iberia Plus members are charged for additional drivers at the depot.

Driver's licence:

A full driving licence will need to be held for a minimum of one year, (any Porsche rental, min. 3 years). Group P requires class 3 or category C1 licence. An international driving licence is required for licences in non-roman alphabet. UK licence holders will need to take their Photocard Licence but do not need to take its paper counterpart. Licence holders with only a Paper Licence need to take it. Avis do not require the DVLA's 'Share Driving Licence' on line code or a downloaded summary of the driving licence record. They will require the customer to consent to their licence records being accessed as needed. Licence endorsements may exclude a driver from renting a vehicle, please check prior to booking.

Booking Flights and Car Rental at Airport Locations.

If you have a separate flight booking, we recommend you contact us prior to travel to provide Avis with your flight details. In the unlikely event that your flight is delayed, please contact us and advise your amended flight arrival time.

Collision Damage Waiver (CDW) and (TP) Theft Protection:

Please note that CDW may not be included for all car types, please check Inclusions before bookings.

CDW and TP are always subject to an excess which will be pre-authorised, but not debited, from the driver's credit card up on collection of the vehicle. In the event of any damage to the vehicle, the full value of the excess is charged to the credit card. Where the repair costs are less than the excess, the difference will be refunded. Excess amounts vary by rental location, please contact us for details.

Excess:

The car voucher shows what is included and not included in the rate. If CDW (or LDW in some countries) does not appear in the Inclusions section, it is NOT included. It does not always appear under the Exclusions section. If you are unsure please contact us. Where prices do not include CDW the renter must either purchase CDW locally or provide proof of own coverage. The excess always applies and may be up to the full value of the car. You may purchase additional insurance locally to reduce or remove the excess amount.

Minimum Rental Age:

Minimum rental age is 18 for Group A. Minimum rental age is 25 years for Group J. Minimum rental age is 21 years for all other car groups. Young drivers surcharge applies to drivers between 18-25 years.
